Mauldin High Booster Club Offers Outstanding Opportunity for Local Businesses

The All Sports Booster Club at Mauldin High is giving area businesses the chance to market their company to thousands of students, teachers and parents every day while at the same time supporting the athletic programs of the Mauldin Mavericks. A limited number of banners are being sold that will be prominently displayed on campus where they will be visible to the thousands of people who visit our school each day. Proceeds from the sale of the banners will provide funding for the outstanding sports programs offered at Mauldin High.

A vinyl banner will be digitally produced in four-color process for each participating business with their company logo, contact information and/or marketing message. The banners will be displayed for a full year or season, based on the level of sponsorship. Following the end of that term, the banner may be renewed for the following year or season at a reduced cost to the business.

Please make checks payable to
Mauldin High School
Booster Club.
